

Indian History

Original Notification (3001)

- Land formerly owned by US Government
- Site of Utah Ordnance Plant which was operated by the Remington Arms Co. for the General Services Administration during WWII 1943-1947.
- Manufactured and stored small arms 30-50 caliber.
- Redwood Construction Co. purchased the land from G.S.A.. They stated that "There had been 'a certain decontamination processes carried out to make the property safe for sale and eventually for general public use'. Redwood Co found a book prepared by Ralph M. Farson Co. which described the area owned by the Government. In some cases an individual building or bunker had the notation 'Needs Decontamination'."
- Remington Arms Co destroyed all WWII activity records ten years ago. However, they were able to locate a few records which indicated the operations of the plant and closure was probably between December 1943 - January 1944.
- 1987 W. H. Hargrave & Associates studied undeveloped portion of property to the south of the manufacturing bldg.
- inconclusive

need at minimum assessment stage

- more complete aerial photo analysis

- sea water use study needed on the shallow region.

- industrial activities to the north.
